

Minimum Order	\$100										
Quote Conditions	Price and lead times quoted are valid for 30 days, subject to product and material availability. Quotes are based on delivery EXW / FOB San Francisco, CA.										
Test Reports	Test reports are available at extra charge. Please notify us when requesting a quote so we can define the report and quote its cost.										
Standard Lead Time	two days ARO from stock six weeks ARO build to order										
Order Acceptance	Orders will be accepted after review of a hard copy received by mail, fax or email. We cannot accept verbal orders.										
Scheduled Releases	Orders may be scheduled for multiple releases over a time period up to twelve months. Standard pricing is modified based on the number of releases and the time period.										
Shipment Hold	Shipments to new customers are contingent on a satisfactory credit check. Shipments will be held if payments on previous invoices are overdue.										
Domestic Shipments	All domestic shipments are made by two day air service unless overnight shipment is requested. This avoids the potential for high temperature exposure during ground shipment. Unless instructed otherwise, we ship UPS Blue, insured, with the costs prepaid and added to the invoice.										
Foreign Shipments	We ship freight and duty collect. Please specify the shipper and your account number.										
Shipping Containers	Reusable shipping crates and dewars used for cryogenic shipments are property of Intrinsic Devices and should be returned within 30 days, freight prepaid. Dewars held more than 30 days are subject to demurrage charges of \$5.20 per day.										
Payment	30 days net with satisfactory credit history, payable in US dollars by US bank check or by wire transfer with bank charges prepaid. We also accept VISA and MasterCard.										
Packaging	Rings with outside diameters of less than 2 inches are packaged in plastic tubes up to 13 inches long. Depending on the ring size, the standard quantity per tube is 25, 50 or 100. Larger rings are packed in cardboard boxes.										
Labeling	Individual containers of rings are marked with: <table><tr><td>Customer Part Number (if any)</td><td>Intrinsic Devices Inc.</td></tr><tr><td>Intrinsic Product Description</td><td>San Francisco, CA, USA</td></tr><tr><td>Quantity</td><td>Cage Code 08CE6</td></tr><tr><td>Intrinsic Manufacturing Order Number</td><td></td></tr><tr><td>Packing Date</td><td></td></tr></table>	Customer Part Number (if any)	Intrinsic Devices Inc.
